What's in Store for this Hobart Prowl

Friday 5th May (Board Meeting – 10.30 a.m. – 3.30 p.m.)

We start with Registration from 4.00 p.m. until 5.00 p.m.

Early Dinner at the  Charcoal Restaurant is next in line (optional – at own cost)

A quarter before 7 we start our prowling – at a jam factory of some renown

We wander the streets into Hobart's past, a convict colony with history most dark

At the hour of 9 we return whence we came for Supper and fellowship to end the day

Saturday 6th May **Stables**

Those without a number, get to prowling around town

The numbered will meet by half past 8, for the annual parlay with much to relate

Lunch for all at 29 past 12, then it's the Hoo-Hoo Challenge for us to explore

A prowling for each Club to find 9 clues, ending at a royal place for a drink or two

The remainder to the day is at your leisure, but be ready in time for our Gala pleasure

With drinks at 6 we get under way, three courses for dinner and awards to present

There will be fun and fellowship and a raffle to draw, and a Yell at the end to finish it all.

Sunday 7th May **Cats leave Hobart Town or continue their Prowl**
